Martin Sprick

Martin Sprick,

Due to the tone and content of your communications about the Front Sight organization, even with the effort we have made to respond to your concerns, we feel it is best you seek your training elsewhere.

Our records indicate you have never paid Front Sight any money for your membership.

Although there is nothing to refund you because you have not paid us any money, and we are not obligated in any way to do so, as a show of good will we have enclosed a check in the amount of \$50 and wish you the best is seeking your training elsewhere. Your membership is now closed.
